

CARMEL COLLEGE OF NURSING, ALUVA

CIRCULAR

This is to inform all students to strictly adhere to the dress code of the college and clinical area to maintain professionalism and discipline.

College Uniform:

- Students should wear the prescribed college uniform on assigned days.
- Along with the uniform, students should wear uniform chappals or shoes as decided by their respective batch (black chappal or shoes with appropriate colour).

Clinical Uniform:

- During clinical postings, students must wear the prescribed white uniform with black chappal.
- Clinical uniform should not be worn outside the hospital premises. If any student is found violating this rule, a fine will be imposed.

Ornaments:

- Only one stud and watch allowed.
- Girls should tie up their hair properly and wear a hair net in the college and clinics to maintain neatness
- All students should keep the nails short, clean and properly trimmed at all times.

Colour Dress (when permitted in college):

- Students should wear decent and professional dress.
- **Sleeveless dresses and short tops are strictly prohibited.**
- Jeans with decent tops are permitted and preferred over leggings.
- Churidar is allowed.

General Instruction:

- Boys should come clean shaven and maintain a neat and professional appearance

All students are expected to maintain dignity and professional standards in their appearance. Strict compliance is mandatory.
